

**Eddie Vedder (Pearl Jam) - Hard Sun** Album: Into the Wild (2007)

**!!! Tune Down ½ Step: E<sub>b</sub> A<sub>b</sub> D<sub>b</sub> G<sub>b</sub> B<sub>b</sub> E<sub>b</sub> !!!**

**[ E | D | A | E ] (repeat Chords for song)**

When I walk beside her, I am the better man

When I look to leave her, I always stagger back again

Once I built an Ivory tower, so I could worship from above

When I climb down to be set free, she took me in again

**Chorus:**

**There's a big, A big hard sun**

**Beaten on the big people, in the big hard world**

When she comes to greet me, She is mercy at my feet

When I see her pin her charm, She just throws it back at me

Once I dug an early grave, To find a better land

She just smile and laughed at me, & took her bruise back again

**[chorus] (Repeat x2)**

Once I stood to lose her, when I saw what I had done

Bound down and flew away the hours, of her garden & her sun

So I tried to warn her, I turned to see her weep

40 days and 40 nights, and it's still coming down on me

**[chorus]**

**(Repeat and Fade)**
