

**Pearl Jam - Come Back (Album: Pearl Jam (2006))**

**Intro: [F - F - C - A#] x 2**

F A#  
If I keep holding out, Will the light shine through  
Under this broken roof, It's only rain that I feel  
F A# C F  
I've been wishing out the days, Ohh ohh oh come back

F A#  
I have been planning out, All that I'd say to you  
Since you slipped away, Know that I still remain true  
F C  
I've been wishing out the days, Please say that if  
F A#  
you hadn't gone now, I wouldn't have lost you another way  
F A# C F  
From wherever you are, Ohhhh ohh ohh oh oh come back

A# C F  
And these days they linger on  
And in the night I've been waiting for  
C A# F C  
The real possibility that I may meet you in my dreams, I go to sleep

F A#  
If I don't fall apart, Will my memory stay clear  
So you had to go, And I had to remain here  
F C  
But the strangest thing today, So far away and yet  
F A#  
you feel so close And I'm not gonna question it any other way  
F A# C F  
There must be an open door, For you uhh uhh uhh.... To come back

A# C F  
And the days they linger on  
And every night when I'm waiting for  
C A# F  
The real possibility that I may meet you in my dreams  
Sometimes you're there and you're talking back to me  
Come the morning I can swear that you're next to me [ C ] And it's okay

**[SOLO – over verse chords]** (“Its ok...its ok”)
