

Pearl Jam - Nothingman [Album: Vitalogy (1994)]

F Dm C Dm Bb5 (x3)

Once divided, nothing left to subtract
Some words when spoken can't be taken back
Walks on his own with thoughts he can't help thinking
Future's above, but in the past he's slow and sinking **[Dm]**

Caught a bolt of lightning, cursed the day he let it go

Nothingman, nothingman
Isn't it something? Nothingman

She once believed in every story he had to tell
One day she different, takes the other side
Empty stares from each corner of a shared prison cell
One just escapes, one's left inside the well **[Dm]**

And he who forgets will be destined to remember oh oh oh
[Chorus]

Oh, she don't want him (she don't want him)

Oh, she won't feed him, after he's flown away

Oh, into the sun, yeah into the sun

Burn, burn, burn burn

[Chorus]
