I know you wanted me to stay
But I can't ignore the crazy visions of me in LA
And I heard that there's a special place
Where boys and girls can all be queens every single day

I'm having wicked dreams, of leaving Tennessee
Hear Santa Monica, I swear it's calling me
Won't make my mama proud, it's gonna cause a scene
She sees her baby girl, I know she's gonna scream

God, what have you done?

You're a pink pony girl, And you dance at the club

Oh mama, I'm just having fun

On the stage in my heels, It's where I belong down at the

**Pink Pony Club, I'm gonna keep on dancing at the
Pink Pony Club, I'm gonna keep on dancing down in
West Hollywood, I'm gonna keep on dancing at the
Pink Pony Club, Pink Pony Club**

I'm up and jaws are on the floor
Lovers in the bathroom and a line outside the door
Blacklights and a mirrored disco ball
Every night's another reason why I left it all

I thank my wicked dreams, a year from Tennessee
Oh, Santa Monica, you've been too good to me
Won't make my mama proud, it's gonna cause a scene
She sees her baby girl, I know she's gonna scream
