

Melissa Etheridge - Come To My Window [Yes I Am (1993)]

Key: G major

C G D
I could dial the numbers, Just to listen to your breath
I would stand inside my hell, And hold the hand of death
You don't know how far I'd go, Just to ease this precious ache
You don't know how much I'd give, Or how much I can take

Em C D Em C D
Just to reach you, Just to reach you, Oh to reach you

G C D G C D
Come to my window, Crawl inside, wait by the light of the moon
Come to my window, I'll be home soon.

C G Am7 D
Keeping my eyes open, I can not afford to sleep
Giving away promises, I know that I can't keep
Nothing fills the blackness, That has seeped into my chest
I need you in my blood, I am foresaking all the rest

Em C D Em C D
Just to reach you, Just to reach you, Oh to reach you
[Chorus]
