

**S.G. Goodman - Space and Time** (Album: Old Time Feeling | 2020)

**Intro: D**

[ **D** | **G** | **D** | **A, G** ]

I never wanna leave this world without saying I love you

Without saying what you mean to me

You know it makes me happy, when we share this space & time

Want you to know you shaped this heart of mine

& I never wanna leave this world, oh, without saying I love you

**G**

Oh, and out in the woods, this picture is clear to me

I owe my life to even my enemies

**D**

The ones who have loved me, the ones who have tried

Their grips on my heart and their grips on my mind

**G**

The stranger I pass, my mama, brothers, friends and my father

They're God undercover

**A**

I'm telling you now in case I must go,... Want you to know

**[Chorus]**
